

Sand Pro DL7236

Sanding Tables, Sanding Booths, & Inspection Lighting

The Sand Pro DL7236 sanding table is a dedicated sanding station that doubles as a workbench. It features a separate 110V circuit with 2-duplex recepts, adjustable height, a grid system top, 10.4 cubic feet of storage area, a powerful 1½ HP motor, and easy filter servicing. All this combines to make the DL7236 the most practical and efficient downdraft table on the market.

Sand Pro DL7236

(Self-Contained Sanding Table)
